CLINTON ANDENDE

Web Designer| Graphic Designer

Hi, I'm Clinton, a professional web designer and graphic designer with a passion for creating beautiful, responsive websites and stunning visual designs. Specializing in custom web design and graphic design services, I help businesses build a strong online presence through user-friendly websites and engaging graphics. Whether you need a website redesign, branding, or a unique logo design, I'm dedicated to delivering high-quality design solutions that make your brand stand out. Let's work together to turn your ideas into a visually compelling digital experience

WORK EXPERIENCE

- **Webcom Kenya | Senior Web Developer | Freelancer**
  2021 – Present

  Key Responsibilities

  - I Design visually appealing and user-friendly websites
  - I Develop responsive web designs that adapt smoothly across different devices and screen sizes
  - I Optimize websites for fast loading and good performance to enhance the user experience
  - I Implement SEO best practices to improve website visibility and search engine rankings
  - I Update and maintaining existing websites, adding new features, and fixing bugs as required

- **Watu Technology | Web Designer**
  2018– 2020

  Key Responsibilities

  - Designing web pages: I assisted in creating the layout and design of web pages
  - Optimizing images: I was tasked to optimize images for the websites, ensuring that they load quickly without compromising their quality
  - I had Meetings with clients to understand their specific requirements and objectives for the website
  - I assisted in Monitoring website analytics to track performance and identify areas for improvement
  - I Optimized websites for search engines (SEO) to improve their visibility and ranking on search engine results pages

STRENGTHS

I have the ability to understand and interpret my client's needs and translate them into effective and visually appealing designs. I believe that communication is key in any design project, and I always strive to establish clear and open communication with my clients to ensure that their expectations are met
